Dear Paul,

On behalf of the Georgia Right to Life Political Action Committee (GRTL PAC), I would like to thank you for your pro-life commitment to the protection of human life, born and pre-born. Our role at the GRTL PAC is to encourage and support candidates who we believe are the strongest and most effective voice for those who cannot speak for themselves.

Therefore, Paul Broun, the GRTL PAC is honored to endorse you for the race for GA Congressional District 9, in the May 24, 2016 Primary election.

Our endorsements are based on responses to our candidate survey, voting history if available, and our evaluation of the candidates and their commitment to the cause of Life. We also consider other aspects of each race, including the reputation of the candidate, the strength of the campaign, and the threat posed by the opponent. As a candidate who has demonstrated a willingness to stand for the sanctity of life, we are especially pleased to commend you and look forward to working with you.

The years ahead will bring us new opportunities to defend the civil rights of the pre-born, those with disabilities and the elderly. Your support and leadership will be absolutely essential in restoring the basic Right to Life to the most helpless members of our human family.

The GRTL PAC is honored to support you in this election.

Sincerely,

Gen Wilson
GRTL PAC Director
